The Commissioning Appeal

Delivering Baldwin locomotive No 762 'Lyn' to the Lynton and Barnstaple Railway

1933

2017

After eight years' hard work and at a cost of £600,000 involving over 7,000 drawings and 25,000 component parts we did it! 'Lyn' is probably the most advanced narrow-gauge new steam engine to be built in the UK, and possibly the world.

**We still need to raise £30,000 to finish "Lyn"
to complete yet another piece in the jigsaw in recreating
the Lynton & Barnstaple Railway.**
