Travel Information

By Car/Coach

Sat Nav Postcode is EX31 4RA. We are on the A39 half way between Blackmoor Gate and Lynton. From the M5 turn off at Junction 27 and take the A361. At South Molton, take the A399 for Lynton and Combe Martin. At Blackmoor Gate, turn right onto the A39 for Lynton. We are about four miles from this junction. The station entrance is on the left. **Coach parties are advised to call in advance so we can reserve seats for your party.**

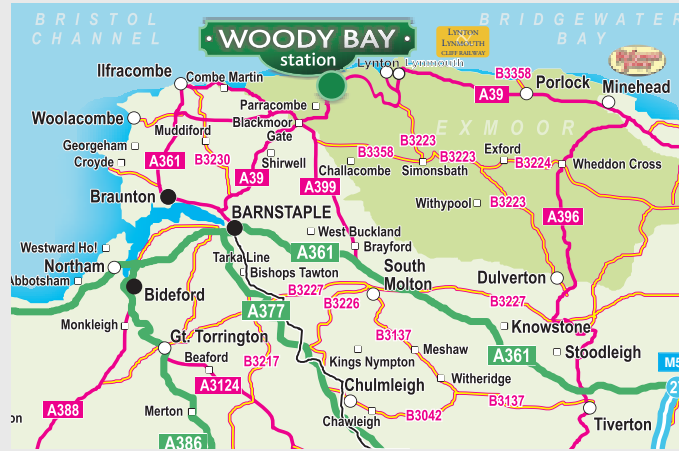

Parking is all on site and FREE

By Bus

The 309 via Shirwell and the 310 via Bratton Fleming operate Monday to Saturday (except public holidays) from Barnstaple Bus Station and stop at Woody Bay Station on their way to Lynton. For the latest bus times and information contact South West Traveline 0871 200 22 33.

By Rail

From Exeter take the 'Tarka Line' to Barnstaple. Make your way over the river bridge to Barnstaple bus station. For train times contact National Rail Enquiries on 08457 48 49 50.

ACCESSIBILITY - Our trains can accommodate 'standard (non-motorised) transit wheelchairs' and our staff are always on hand to provide assistance. Our toilets are designed with wheelchair users in mind.

Reviving North Devon's
Lost Railway Heritage

WWW.LYNTON-RAIL.CO.UK

More than a train ride

This is the UK's earliest-closed section of railway to be reopened by volunteers and is the first stage in rebuilding this much-loved railway that once ran between Lynton and Barnstaple.

Enjoy the enchanting atmosphere of Woody Bay Station. We charge no entrance fee; car-parking and access to the station area including the toilets is also free as are our tea gardens, lawns, picnic area, platforms and woodland area. Stay as long as you like in our gardens/picnic area or the peaceful woodland and enjoy the magnificent scenery of the Exmoor countryside.

Why not try your hand at our computer quiz located in the stables or ride our miniature railway which operates on selected days.

Our Tea Rooms offer a variety of meals and light-bites. Enjoy a freshly-made sandwich or piece of cake. Savour a taste of Devon with our cream teas of local clotted cream, super strawberry jam and our special home-baked scones. On cooler days warming home-made soup is on offer and our real coal fire will be blazing.

Browse for books, gifts, special souvenirs or that valued reminder of your time spent with us in the Gift Shop where we stock a wide range of  items. There's an impressive range of exclusive L&B books and souvenirs as well as other items - all ideal gifts.

Well-behaved dogs are welcome. Please keep your dog on a short lead and for reasons of hygiene off all seating. Dogs are not permitted in 1st Class compartments.

About your visit

Our trains feature restored heritage carriages and currently run from Woody Bay Station to Killington Lane - a two-mile round trip through glorious Exmoor countryside.

- Your tickets allow you to ride all day.
- Keep your ticket and you can travel half-price as frequently as you wish for the next 28 days.

Please enquire about

- Party Bookings of 8 or more
- Coach Parties
- School Visits
- Children's parties
- Family events – Anniversaries, Birthdays, etc
- Vintage and veteran vehicle runs
- Photo charters
- Film location opportunities

The railway is owned by a Charitable Trust and is run "not for profit", with most key roles undertaken by volunteers.

We are funded mainly by our visitors and through the generosity of our members and supporters. All is reinvested in the railway for future generations to enjoy.

Your much-appreciated support is essential, contributing as it does towards our aim of rebuilding all of the railway before too long.

Please do consider making a small donation or joining us as a member - or if you fancy a new challenge and want to get involved, please ask about volunteering.

Enjoy your visit and please come again soon

The World's Newest Steam Loco

LYN was one of the original engines that operated on the Lynton & Barnstaple Railway. Built in 1898 by Baldwin's of Philadelphia, USA and scrapped when the line closed in 1935. 82 years, 7,000 drawings and 25,000 components later, a new-build LYN is now back at Woody Bay Station. The more powerful and efficient LYN completes our own authentic heritage L&B train and will be used on various service trains throughout the year.
